

EDMOND CONSULTING GROUP LLC, INSURANCE FIRM
Contract Agreement.

Congratulations on being accepted as a licensed insurance agent with EDMOND CONSULTING GROUP LLC, Insurance Firm. As indicated during the interviewing process, your position is that of an independent agent. With this position you will be paid _____ commissions on LAH new business/ _____ PC Business and renewals which is derived from the percentage paid to us by the various carriers. As an Independent you will not be paid a base pay and you are responsible for working and setting your own hours, it will be your responsibility to build your residual book of business. EDMOND CONSULTING GROUP LLC through its insurance network simply offers you the ability to write business through our firm with several P&C carriers. As an independent agent you're not required to be appointed with any of our carriers.

Commission Structure

- As an agent you will earn commissions on new business and renewals. (*Some carriers offer 12 month auto policies*) This is a 1099 position, no base pay is included.
- Charge backs - policies cancelled before full term will be considered terminated and commission on these policies will be recouped if previously paid out.
- Cancel Rewrites - commission can only be paid on cancel rewrites if there's 12 month's between the termination date and new policy date.
- Item count - Commissions will be paid on the 1st policy issued, we do not require a monthly quota. (*Although no quota is required; your position will be in jeopardy if no policies has been issued during a 60 day period*) If contract is terminated you will no longer receive commissions.

I hereby accept the terms and conditions as set forth above and it is also my representation that I am not currently signed to any non-compete agreement with any other agency, firm or carrier. I understand that EDMOND CONSULTING GROUP LLC are not responsible for supplying me the agent with any leads or prospects.
